## Introduction

Welcome to Nazeing Golf Club Junior Academy, where we aim to give juniors the right start, bring out their best ability to become a great golfer and a member of our golf club.

To begin our Academy I are starting a 5 week course, to help encourage children from the age of 7-16 to play and enjoy the game of golf.

The course will consist of a group of 6 juniors and is every Saturday morning from 10am-11am and another from 11am-12pm, starting from the 6<sup>th</sup> March and finishing on the 3<sup>rd</sup> April. The course will cost £40 for the 5 weeks and spaces are limited so acceptance will be done on a first come first served basis.

I will be covering many aspects and skills in the 5 weeks, so that each junior has a wide understanding of the game and can become confident when playing on the golf course, with the correct attitude and etiquette.

Over the course of 5 weeks I will be covering the following skills:

- Week 1-Putting
- Week 2-Chipping
- Week 3- Pitching
- Week 4-Full Swing (Irons)
- Week 5-Full Swing (Woods)

Each week I shall be teaching every junior the use of each club, when it is used, explain the different parts to each club and also a variety of shots to use in necessary situations.
