

NAZEING GOLF CLUB

CORPORATE ADVERTISING

Introduction

Advertising on our tee markers is a great way to increase exposure of your business and increase your brand awareness to thousands of potential customers. At Nazeing Golf Club, we have an average footfall of golfers measuring at least 41,600 per annum, giving you the perfect opportunity to capture new clients, increase revenue and reach your targets.

Our Corporate Advertising boards are made of recycled plastic, with a wooden effect to make sure they endure all weathers and provide helpful information to our golfers. Your tee sign can feature your company name, company logo/ branding and any additional information you wish to deliver.

We will also add a hyperlink to our 'Preferred Suppliers' list on our website for visitors and members to view what services you provide.

Costings

To advertise your business with us, there will be a one off fee of £650 (Inclusive of V.A.T.) for the first year, then an additional £240 (Inclusive of V.A.T.) if you wish to continue advertising with us each year after.

Each hole will be decided on a first come first served basis and the designated hole will be subject to availability.

Please see an example of the tee signage on the next page.
